

WELCOME AND THANKS FOR AGREEING TO BECOME INVOLVED AS A LEADER IN THE SCOUTING PROGRAM!

To begin your orientation and training:

- 1) Go to www.Scouting.org
- 2) In the upper right hand section click on MyScouting
- 3) Click Create an Account
- 4) Select a User Name and check availability

If you are new, not a member, or do not know your Member ID #

- Enter your name
- Enter your email address
- Postal address, including City, State and Zip Code
- Phone # is optional
- Choose to opt in or out of Email and alumni communication
- Click accept terms
- Enter Verification Image (note - this is Case sensitive)
- Click Create User
- Register 2 Security Questions
- An Email will be delivered to you for you to set your password
- Click link in Email to Activate Account
- Set password and confirm
- Once password is accepted click OK and you will be directed to the MyScouting site.
- Sign in to take Youth Protection Training

If you know your member ID #

- Select HEART OF OHIO COUNCIL
- Enter member ID and proceed as noted above

Other important information:

When your Application is approved, you will receive a membership card with your Member ID #. After you receive your membership card, log onto MyScouting, click My Profile, and enter your Member ID #. This links your Youth Protection Training Records and any other MyScouting Training records to your BSA Membership.

Completing the Four Required Trainings:

In order to complete your Training, you will need to take Youth Protection Training, This is Scouting – Orientation Training, Fast Start Training for your program, and Position Specific Training. For Cub Scout Leaders, this training is available on line; as well as numerous other supplemental training offerings.

1) Youth Protection Training

- From options on left, click E-learning
- From the General Tab scroll down to Youth Protection Training to take course.
- When Complete, print the certificate and submit with your application or give to your unit Leader for processing.

2) This is Scouting

- From options on left, click E-learning
- From the Cub Scout Tab scroll down to This is Scouting orientation training to take course.
- When Complete, print the certificate and submit with your application or give to your unit Leader for processing.

3) Fast Start Training

- From options on left, click E-learning
- From the Cub Scout Tab scroll down to your position specific Fast Start Training to take course.
- When Complete, print the certificate and submit with your application or give to your unit Leader for processing.

4) Leader Position-Specific Training

- From options on left, click E-learning
- From the Cub Scout Tab scroll down to your leader position specific training to take course.
- When Complete, print the certificate and submit with your application or give to your unit Leader for processing.
