What is Pack Committee Challenge? The purpose of the Pack Committee Challenge is to familiarize pack committee members with the various responsibilities of the individual members of the committee as well as the committee as a whole. The goal is to help each pack committee work as a team to improve the Scouting experience for adult and youth members.

Who Should Attend? All Pack Committee Members, Pack Committee Chairs, Cubmasters and Assistant Cubmasters, should attend together as a committee.

Bring: A Cub Scout Leader book and the handbook for your position if you have it. It is always appropriate to wear your uniform to training.

Registration is due 1 week before the course. Pre-registration is required. These courses may be canceled if there are no pre-registered participants.

Youth Protection Training will be offered after the completion of the Pack Committee Challenge Training.

Youth Protection Training

What is Youth Protection Training? The Boy Scouts of America places the greatest importance on creating the most secure environment possible for our youth members. One of the ways this is achieved is through our Barriers to Abuse. Youth Protection Training or YPT is required of every registered volunteer within the Boy Scouts of America. Youth Protection Training must be completed every two years to remain registered as a Scouting volunteer.

Contact Stephanie Langley at slangley4@aol.com to register for this training course.
