**Saturday, October 8, 2016**  
9:00 am to Noon ~ Cost: **FREE**  
Trinity Evangelical United Methodist Church  
108 Malabar Drive, Upper Sandusky, OH 43351

**What is Troop Committee Challenge?** The purpose of the Troop Committee Challenge is to familiarize troop committee members with the various responsibilities of the individual members of the committee as well as the committee as a whole. The goal is to help each troop committee work as a team to improve the Scouting experience for adult and youth members.

**Who Should Attend?** All Troop Committee Members, Troop Committee Chairs, Scoutmasters and Assistant Scoutmasters, should attend together as a committee.

**Bring:** A positive attitude and write materials. It is always appropriate to wear your uniform to training.

**Registration** is due 1 week before the course. Pre-registration is required. These courses may be canceled if there are no pre-registered participants.

**Youth Protection Training will be offered after the completion of the Troop Committee Challenge Training.**

## Youth Protection Training

**What is Youth Protection Training?** The Boy Scouts of America places the greatest importance on creating the most secure environment possible for our youth members. One of the ways this is achieved is through our Barriers to Abuse. Youth Protection Training or YPT is required of every registered volunteer within the Boy Scouts of America. Youth Protection Training must be completed every two years to remain registered as a Scouting volunteer.
