

# The Young American Award

Council Office Deadline: February 1

Age Requirement is 15 through 25 when student applies for the award.

# The Young American Award

## Background

First presented in 1968, the award is given to a student age 15 through 25 to highlight publicly the importance of their excellent achievements and service to their community, state and nation. The local council office typically extends the application process in September to appropriate council units and community youth-serving organizations, which then submit nominations on behalf of their young adult constituents. Nominees may or may not be participants in Learning for Life or members of the BSA.

## Council Selection Procedure

The local council can give as many as they choose of the council-level Young American Award plaques. The council selection committee is responsible for the following:

- See that appropriate council units and other local community youth-serving organizations receive applications.
- Review the applications and select council recipient(s). Notify all nominees of the decision by mail. Order the council-level Young American Award Plaque from the Supply Group for presentation at an appropriate council ceremony.
- Through proper public relations, focus attention on the council-level recipient(s) and their accomplishments.

## How to Apply

Applications are sent to the local council office. Nominations can be made by Boy Scout troops, Explorer posts, Venturing crews, Learning for Life groups, individuals, and other community youth-serving organizations that share the same program objectives. Since applications are not carried over or returned, original documents of personal value should not be included with the application. Previously submitted applications can be updated and resubmitted through the local council office through age 25.

## Council Office Deadline: February 1

Completion of the application with letters of recommendation and current school transcript must be date stamped by the local council no later than February 1.
