

LIFE TO EAGLE PROGRAM NOTIFICATION OF COUNSELOR

LIFE SCOUT: <Name> - <Troop Number>

Congratulations on earning the rank of Life Scout! You are on your way to becoming an Eagle Scout.

This letter is to inform you of who your assigned Eagle Counselor is and provide you with the location of where you can download all of the documents you will need to successfully transition from Life to Eagle.

Your Eagle Counselor is: <Counselor Name> **EMAIL:** <Counselor E-Mail> **PHONE:** <Counselor Phone>

My recommendation is to first make phone contact with your Eagle Counselor as soon as possible to introduce yourself and let them know what your approximate timeline is between now and when you intend to start your Eagle Project as a courtesy. If they don't receive a call, though you are a name on their list, they may have a hard time knowing when to anticipate working with you.

The Life to Eagle Packet is now online for you to download the latest version. Go to this website:

<http://heartofohiocouncil.org/content/eagle-scout-resources>

Here you will want to download the following resources: *Eagle Checklist, Eagle Scout Service Project Workbook, Eagle Service Project Grant Application, Eagle Scout Rank Application, and Eagle Reference Form.*

If you have any questions regarding the contents of this packet, you should first ask your unit leader and then move through the chain of command to your Eagle Counselor and, if there are still questions that cannot be answered, feel free to contact me, Joe Close, at tclose@gmail.com.

From here on, **you** are responsible for all facets of your project and completing the requirements of the Eagle rank. Keep in mind that you are the one showing your capability to be a leader and a responsible young man willing to take initiative to contact the appropriate people with questions you might have. We are here to help you, but you need to be able to help yourself and be self-motivated to become an Eagle Scout. This is the challenge that I hope you'll succeed at.

Yours in Scouting,

- Joe Close
